	<div><ul style="list-style-type: none">- This offer is applicable exclusively to VISA Green Platinum Credit Card holders.- Both Primary and Supplementary cardholders are eligible; however, the complimentary staycation entitlement will be shared jointly between them.- Cardholders are entitled to one (1) complimentary staycation per month from the above mentioned partner hotel portfolio.- Any additional staycations within the same month will be charged to the cardholder’s card account as per the prevailing rates.- The complimentary staycation facility is not available during blackout periods as defined by the Bank and/or participating partners.- The name on the credit card must match the booking name to avail the complimentary staycation. Any mismatch will result in the applicable charges being posted to the cardholder’s account.- The month in which the staycation is counted will be based on the card transaction date, not the check-in/check-out date. For example, if a cardholder checks in on the last day of a month and checks out in the following month, the transaction will be counted in the month the payment is made with the card. If the cardholder has already availed the complimentary staycation in the same month based on transaction date, any additional stay will be charged to the cardholder’s card account.</div>
